

ACT NOW

CENSUS IS APPROACHING

Dear <Students First Name>

Time is running out

Our records show that you haven't logged into your course pages. We are concerned as you have missed four weeks of study and at risk not being able to complete the course successfully. You need to act now.

It is important that you log into [LearnOnline](#) immediately and start engaging with your course work.

The **31st of March** is the [census date](#) which is the final day to make any changes to your enrolments.

Please note, that as student visa holder, you:

- must maintain full-time enrolment (18 Units)
- are expected to complete your program of study by the end date specified on your Confirmation of Enrolment (CoE)
- must make satisfactory academic progress
- are expected to attend all scheduled lectures, tutorial, workshops

Failure to do so may result in the cancellation of your CoE and your student visa.
