Modify Professional Accreditation or Recognition

University of South Australia | Student and Academic Services

> **This form should be used to to amend an existing Professional Accreditation or Recognition Agreement record in Medici.**
>
> Examples include:
> - Extending the accreditation period.
> - Adding a new program plan to an existing agreement where the details are the same.
> - Updating the short and long statements.
>
> Note: Changing the accreditation type (e.g. recognition to accreditation) requires a new agreement, and you will need to complete the New Professional Accreditation or Recognition application.
>
> *Before completing this form*:
> - Ensure that the changes have been formalised with the professional body.
> - Check the existing agreement in Medici and use those details as the starting point for the changes you want to make.
> - Include only one agreement ID per form.
